

R E M A R K S

1. Claims 1-5 are pending in this application. Reconsideration and further prosecution of the above-identified application are respectfully requested in view of the amendments and discussion that follows.

Claims 1-5 have been rejected under 35 U.S.C. §112, second paragraph as being indefinite. The Examiner also admits that claims 1-5 would be allowable if rewritten to overcome the rejections based upon indefiniteness.

Accordingly, the claims have been amended to clarify the antecedent basis. It is believed that the amendments render the claims definite and eliminate any double recitation of claim elements.

2. Allowance of claim 1-5, as now presented, is believed to be in order and such action is earnestly solicited. Should the Examiner be of the opinion that a telephone conference would expedite prosecution of the subject application, he is respectfully requested to telephone applicant's undersigned attorney.

Respectfully submitted,
